

Learn to Swim at the Bensenville Park District

Learn to Swim Program

The Bensenville Park District's Learn to Swim Program follows the guidelines of the American Red Cross, emphasizing water safety with swim instruction by competent, experienced instructors. We offer Morning, Evening, and Private Swim Lessons for all ages and skill levels. Participants will be tested on the first day of class to ensure they are placed in the right level. To move to the next level, the skills for the current level must be performed correctly and consistently. If you are unsure of what level to place your child in, look at the Description of Levels below.

In addition to our regular Sessions 1, 2, and 3, the Water Park is happy to offer two Bonus Weeks in 2011, during the weeks of June 6 – June 10 AND June 27 – July 1! If your child hasn't taken

lessons or can't wait to jump in, this is a chance to glimpse the Water Park's wonderful Learn to Swim Program and engage your child in swimming at a reduced rate before and in-between our regular sessions.

All lessons will be held rain or shine. If the weather is poor, staff will hold an interactive water safety class at the Deer Grove Leisure Center, so plan on attending regardless of weather. You can also call (630) 766-SWIM for any updates and cancellations. Regular Sessions 1 and 3 will be held Monday through Friday the first week and Monday through Wednesday the second week. There are no classes on the July 4 Holiday, so Session 2 runs Tues, July 5 - Fri, July 8 & Mon, July 11 - Thurs, July 14.

Learn to Swim Program ~ 3 Summer Sessions

Each Session consists of 8 classes - Monday through Friday the first week and Monday through Wednesday the second week, with Thursday and Friday as potential make-up days. With no classes on the July 4 Holiday, the 8 classes of Session 2 will run Tues, July 5 - Fri, July 8 and Mon, July 11 - Thurs, July 14. Plan on attending every day and if weather is poor, Lessons will be held at the Deer Grove Leisure Center with a water safety class and interactive games run by swim instructors. Make-up days will only be used if there are several days of poor weather. Your child's progress will benefit by taking lessons all three sessions. Report cards will be given to each child in regular Sessions 1, 2, and 3. Water Park Staff will make an effort to accommodate all registrants. Classes may be cancelled or combined based on enrollment. Evening Lessons are held in areas zoned off specifically for Lessons during Open Swim.
