

Job Posting
Pool Attendant

DESCRIPTION

Responsible for diligently operating slides, enforcing Water Park rules, providing customer service and responding to emergencies at the Water Park. Pool Attendants report to Water Park Managers, Head Guards, and Aquatic Supervisor.

DUTIES AND ESSENTIAL JOB FUNCTIONS

- Successful completion of Healthcare Provider CPR/AED/First Aid, taught at the Park District.
- Must be 16 years of age or older.

QUALIFICATIONS

- Maintains professional behavior throughout shift in all spots in rotation: Drop Slide, Parking Lot, Yellow Slide and Splash Pad. Maintain good Customer Service to all Water Park patrons as well as a proper uniform and following all Water Park policies and procedures.
- Monitor patrons as they wait to use the drop slides and the yellow slide. Patrons who appear to be too short to ride the slides (48 inches) must be measured prior to being allowed to use the slide. Responsible for sending riders down the slide only when the pool is clear. No patron may be sent until the previous rider is completely out of the water. In addition, responsible for ensuring riders enter the slides feet first on their back.
- Enforce rules on pool deck and throughout the facility, in and outside of the Water Park. Pick up trash while on the lookout for undesirable individuals, drinking, fighting and other rule enforcement.
- Entirely responsible for the safety of patrons and responding to emergencies in the Splash Pad and surrounding areas.
- At the start of every shift, every Pool Attendant will be doing training with the Pool Manager, either CPR, rule enforcement or other training.
- At the end of every shift, every Pool Attendant is required to help clean the facility. Enforce rules uniformly and diligently and provide excellent customer service while providing a safe environment for patrons.
